## Description:

**Review** "[The] self-deprecating tone is genuine and grounded in sanity, which makes the voice a thoroughly likeable one." --Susan Griffith, author of *Work Your Way Around the World*

"I read and loved *Mousetrapped* [and] I wasn't disappointed [with *Backpacked*] -- Catherine takes the same dry wit and self-deprecating humour along for the ride ... Highly recommended." --Marsha Moore, author of *24 Hours: Paris* and *24 Hours: London*

"[Catherine has] injected such humour into this book that I found myself laughing out loud on many occasions ... I felt as if I was part of Catherine's journey. She writes about the places she visited ...

with so much passion that I'm tempted to hop on the next flight to Guatemala. *Backpacked* is brilliant, I thoroughly enjoyed it. I'd hugely recommend it." --Leah Graham of *ChickLitNewsandReviews.com*

**About the Author** CATHERINE RYAN HOWARD is a twenty-something writer, blogger and enthusiastic coffee-drinker from Cork, Ireland. Before writing full-time she pushed paper in various offices, cleaned tents on a French campsite and was a front desk agent in a Walt Disney World hotel. She is currently dividing her time between her desk and the sofa. She blogs at [catherineryanhoward.com](http://catherineryanhoward.com) and will never go backpacking again. Ever.
