#### Description:

"Sometimes never is a distorted perception. I love you, Hope. And I'm not the only one. I know you care about me. I see it in your eyes. I feel it. Everybody needs love. Everybody. And some people need it more than others. You're a liar if you say you don't. I'll do that for you. I'll love you. All you have to do is let me." -Sometimes Never

What happened in the years between the final chapter and epilogue of Sometimes Never? Blackbird is an 18,000+ word novella that continues Mason and Hope's story as they finish high school, start separate colleges, and confront their demons.

Though Blackbird can be read on its own, it is better enjoyed after reading Sometimes Never. Recommended for 17+ due to harsh language and some sexual situations.
