Description:

Geert Hofstede has completely rewritten, revised and updated **Culture's Consequences** for the twenty-first century, he has broadened the book's cross-disciplinary appeal, expanded the coverage

of countries examined from 40 to more than 50, reformulated his arguments and a large amount of new literature has been included. The book is structured around five major dimensions: power distance; uncertainty avoidance; individualism versus collectivism; masculinity versus femininity; and long term versus short-term orientation.
