Description:

Using his signature, conversational writing style and straightforward presentation, Neil J. Salkind's best-selling **Tests & Measurement for People Who (Think They) Hate Tests & Measurement** guides readers through an overview of categories of tests, the design of tests, the use of tests, and some of the basic social, political, and legal issues that the process of testing involves. The **Third Edition** includes a new chapter on item response theory, new sections on neuropsychological testing, new cartoons, and additional end-of-chapter exercises. Free online resources accompany the text to

make teaching easier and provide students with the practice tools they need to master the material.
