#### Description:

The Picatrix is the most famous grimoire of astrological magic and one of the most important works of medieval and Renaissance magic. With all four books, the complete text, in one volume, translated and annotated by the noted scholars, magicians and astrologers John Michael Greer and Christopher

Warnock, Picatrix takes its rightful place as an essential occult text for modern esotericists. The Illustrated Picatrix contains over 120 illustrations, with images of the 7 planets and 28 Mansions of the Moon by Nigel Jackson as well as images of the 36 decans and 12 signs by Renaissance artists. This is an authentic ancient magical text, lucidly translated and fully annotated with over 400 footnotes.
